APPLICATION DIVISION

RESPONSE TO NOTICE TO FILE MISSING PARTS

Commissioner of Patents and Trademarks  
Washington, DC 20231

Sir:

The Notice to File Missing Parts mailed May 26, 1994 (copy attached) states that the basic filing fee and the additional claims fee were not paid with the application.

In fact, however, the application was filed with a PTO-1082 (in triplicate) requesting that these fees (and any additional fees) be charged to Deposit Account No. 18-0560. Copies of that PTO-1082 and of the postcard acknowledging receipt thereof, are attached. That request is now repeated.

Since the application was in fact filed with a request and authorization to pay the fee from a deposit account, it is submitted that the Notice to File Missing Parts was wrongly issued and that no surcharge is, therefore, due.

<b>CERTIFICATE OF MAILING</b>	
I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to the Commissioner of Patents and Trademarks, Washington, D.C. 20231 on
